Dear Parents and Carers

Austrey, Newton Regis and Warton schools have been invited to take part in the **'Design A Guy'** competition by the Austrey Bonfire Committee. The winner of the competition will see their design turned into a 3D model by a local artist. This will then sit on top of the Bonfire in November 2018, they will also get a mention in the local press and all entries will be seen at this year's Bonfire celebrations.

The competition is open to pupils of all ages, but it is really important that it is the child's own work and that the design on paper can be turned into a 3D model fairly easily. The design can be as colourful as you want to but it must have clear links to Bonfire Night and importantly have something to do with a Bonfire Guy.

If your child does want to enter the competition then they can put their design on an A4 piece of paper putting their name, age and school on the back. All entries need to be handed in to school ready to be judged by the Bonfire Committee the week beginning Monday 30th October 2017.

Good luck to everyone who enters!

Best wishes

Lee Kilkenny
