

From Mrs Eley

The children all seem well and truly settled back into school now which is lovely to see. They have very quickly got back into the swing of more normal school life. Unfortunately, **COVID 19** is still with us as many parents at Newton Regis school will be aware of so please remain vigilant for the three main symptoms and book a PCR test for your child if they occur.

Tea towels

Newton Regis: there are still some tea towels available to purchase. Please contact Mrs Pick if you would like more details.

Austrey: I hope you have all received these from last term. If not, please get in touch and I can pass it onto FACES

Communication

It seems that the new system of being able to contact Mrs Pick or Mrs Harvey directly via See-saw has been a hit so thank you to all of you who have done this so the teachers can concentrate on preparing for the day first thing in the morning.

Collective worship

Reverend Joanne has visited both schools to deliver collective worship as have the All Souls assembly team. The children really enjoyed the story of how Jesus' disciples became "fishers of men" as well as helping to act out the story.

PE Uniform

We are still sticking to the children coming in in their uniform on PE days. Could you please make sure they wear a white t-shirt (it doesn't have to have the school logo but just needs to be plain white), plain dark shorts or joggers (as the weather turns they may wish to wear shorts under their joggers in case they have PE inside). We would prefer black but understand that some parents have already bought these items so please buy black when they grow out of their current ones and a plain hoodie. Again this should preferably be green at Austrey and or blue at Newton but plain navy, grey or black will be fine. Mrs Harvey has school uniform PE hoodies to buy directly from her and Mrs Pick is in negotiations with SK uniforms to hopefully get some blue ones made for parents to buy from there.

Soul café

This will be opening its doors again at Newton Regis School on Sunday 3rd October at 10.30am for the first time since the start of the pandemic.

"Soul Café is a friendly and informal service, for all the family run by our local Church, the Parish of All Souls. It takes place on the first Sunday of the month at Newton Regis C of E Primary School. Its Café style, so that means refreshments, as well as craft and activities and an interactive bible story. In October we will be thinking about Harvest and all that we have to give thanks for. So why not pop along, you might even see some familiar faces from the assembly teams! It starts at 10.30 and usually lasts about 45 minutes."
