Scheme of Delegation

All schools

Version: 11th July 2019 for implementation from 1st Sept 2019

SCHEME OF DELEGATION

Our Multi-Academy Trust

The Birmingham Diocesan Board of Education (DBE) has set up a Multi-Academy Trust ('the MAT') named the Birmingham Diocesan Multi-Academy Trust (BDMAT) to provide an option for the family of Church schools and academies in the Diocese who are looking to join a Multi-academy Trust, meeting the requirements for governance for Church of England schools. Both the DBE and the MAT are committed to the provision of high-quality Christian education.

The MAT is run by an Executive under a board of trustees referred to as 'directors' and is accountable to the Department for Education ('the DfE'). The Directors on the board are appointed by the Members of the Trust.

Each School has its own Local Academy Board (LAB). The Governors who serve on the Local Academy Board are appointed by the board of directors. They include both parent and staff representatives.

The MAT serves three types of school within the Church family, namely:

- Sponsored Schools / Priority Schools (referred to as 'priority schools' in this document);
- Semi-Supported Schools; and
- Self-sustaining Schools.

The way it works

The directors have overall legal responsibility for the operation of the MAT and the schools within it. However, the board intends to work in partnership with its family of schools.

This Scheme of Delegation provides for certain functions to be carried out by one or more of the following:

- the board of directors ('the Board'); and/or
- the Chief Executive Officer ('the CEO'), who is an executive member of the board of directors; and/or

the Chief Finance and Operations Officer (CFOO) and the Chief School Effectiveness Officer (CSEO), who are executives but not members of the board of directors; and / or
the Local Academy Board of the school; and / or
the Headteacher of the school.

All academies are required to operate in accordance with the Trust's policies and procedures, as well as demonstrating principles of good financial management. Academies are subject to annual external and internal audit, as well as other assurance work as required by the Trust's Audit Committee. In the event that a school is designated as "high-risk" (due to poor financial management or accumulated deficits etc.), then the school shall be presented with a bespoke scheme of delegation that reduces the level of delegated responsibility in some or all areas.

The Board of Directors

Many of the board responsibilities fall within the remit of the Terms of Reference for either:

its Finance and Resources Committee; or its
School Effectiveness Committee; or its Audit
Committee

Where functions are to be carried out by a Committee this is identified in this Scheme of Delegation. If no Committee is mentioned the full board will deal with the matter.

The Executive Team

A significant number of responsibilities under the Scheme of Delegation lie with the CEO. It is recognised that the CEO may choose to delegate some of their duties to the Chief Finance and Operations Officer, Chief School effectiveness Officer and other staff in their team. The executive team currently comprises the Chief Executive Officer (CEO), Chief School effectiveness Officer (CSEO) and the Chief Finance and Operations Officer (CFOO). In the absence of the CEO the CSEO acts as his deputy.

School groups

When a school converts and joins the MAT it will be allocated to the appropriate School group based on:

its latest Ofsted Inspection Report; and Birmingham DBE's own assessment of its historical performance and future prospects, undertaken through 'due diligence' before the school transfers into BDMAT;
due diligence activities connected with a number of areas, including finance, undertaken before transfer into BDMAT

The category allocation is very important because it dictates the following:

the 'make-up' of the Local Academy Board;
the extent to which responsibilities are delegated to the school; and the
funding arrangements.

Reviewing the Allocation

The category allocation will be linked to the performance of the school in relation to:

the quality of teaching and learning;
leadership;
outcomes;
safeguarding;
finance; and
buildings.

The allocation will be reviewed at least once a year. Depending on the outcome of the review a school may either stay in its allotted category or be moved to another.

The CEO reserves the right to change the school group at any time if they believe this is in the interests of both the school concerned and the wider MAT family.

Local Academy Board appointments

The 'make-up' of the Local Academy Body follows the category allocated to the school:

Sponsored / Priority Schools - the board of directors directly appoints all the Governors, other than parent and staff representatives;
Semi-Supported Schools - the Governors are appointed according to the supplementary funding agreement approved by the MAT Board;
Self-sustaining Schools - the Local Academy Board is appointed on an 'as is' basis to reflect the arrangements in place immediately prior to joining the MAT and approved by the MAT board.

If a school improves and is moved to a higher category then it has more say in the 'make-up' of its Local Academy Board. Conversely, if a school's performance deteriorates then it may be moved to a lower category with a consequent adjustment to its Local Academy Board.

Local academy Boards have certain powers delegated to them (see below). Where there is a need for immediate action at a local academy board level, the chair of the LAB may act on behalf of the LAB and report their action at the next meeting.

Executive Governing Bodies

In rare circumstances the CEO may decide that there are such significant concerns within a Priority school that the Local Academy Board should be suspended and replaced with a temporary Executive Governing Body (EGB). The EGB will usually be chaired by a member of the BDMAT central team and consist of the following:

- Ex-officio member: the incumbent(s)
- Parent
- Finance governor: usually this will be a member of the BDMAT finance central team
- Education governor: usually a member of BDMAT school improvement team
- Staffing: the headteacher will represent the interests of the staff
- Additional governors as the CEO feels would best support the EGB

The EGB will be a committee of the full board of directors of BDMAT and has delegated power to control and support the school, this may include withdrawing some of the delegated responsibilities of the school leadership team and undertaking these duties as an EGB.

Within the scheme of delegation, the EGB will still operate with the scheme of a 'priority' school. Where an EGB is in place, LAB should read as EGB in the scheme of delegation.

Delegated functions

The Scheme of Delegation covers five areas:

Finance;
Human Resources;
Education;
Asset Management; and
Strategy.

The MAT has legal responsibilities to the DfE. It is expected to exercise a tight rein over Sponsored / Priority schools in order to secure the required school improvement and this is reflected in the Scheme of Delegation.

More responsibility is passed to Semi-Supported Academies to reflect their higher performance; for Self-sustaining schools it is very much the case of a light-touch approach.

Funding

The funding apportioned to a school also reflects the category to which it is allocated.

For a Sponsored school / Priority school, part of its budget will be set aside each year for investment in its school improvements. These funds will be used to provide appropriate support and resources for it.

The specific sum ear-marked for school improvements will be determined each year as part of the process for agreeing the Business Plan and budget for the school. This will be done on a case by case basis by the Finance and Resources Committee to enable funds to be stewarded effectively within the MAT family.

Similar principles apply to Semi-Supported Schools, though the amount set aside for school improvements will usually be lower.

Self-sustaining Schools will be free to spend their approved annual budget as they see fit. In addition, they will also be given the opportunity to bid for school improvement projects to help schools in the two other categories; they will be paid for this from the school improvement fund.

Working together as a family

In addition to the school improvement programme, all schools within the MAT family will be asked as part of the 'generous heart' to contribute to one or more of the following:

- development and maintenance of school policies;
- sharing of best practice through school-to-school support;
- provision of emergency cover;
- mentoring and coaching of staff; and
- recruitment, training and appraisal of Governors for local academy boards.

This Scheme of Delegation was adopted as a draft document by Birmingham Diocesan Academies Trust at an Executive Board Meeting held on 18th July 2017 and then formally ratified on 30th November 2017. Subsequent changes will be ratified at board meetings and the date of the document altered on the covering page. The most up-to-date scheme of delegation will be uploaded to BDMAT's website at www.BDMATschools.com

The scheme will be reviewed on an annual basis by the Board of Directors in consultation with Headteachers and Local Academy Boards.
