

Respect

This half term our Christian value is **Respect**. Respect is feeling that something or someone is valuable and worthy of honour while at the same time showing this feeling by actions.

In the story of Moses and the burning bush (Exodus 3:3-6) we see that Moses removed his shoes as he approach the burning bush to show respect for God. Respect for God extends to all creation, people including ourselves, animals and our environment.

Respect means treating others with politeness and courtesy. It is recognising each other as fellow human beings with equal rights to ourselves.

Respect does not mean that we always agree with the other person but we are prepared to listen and share our views without rudeness or impatience.

How do we show respect for others in our words and actions?
