 **UK Safer  
Internet  
Centre**

Dear Parents and Carers,

Tuesday February 7th 2017 is **Safer Internet Day**, a day that is very important to our school and pupils. Safer Internet Day is coordinated by the Insafe network and is celebrated every year across Europe, and in other countries worldwide.

In the UK, Safer Internet Day is organised by the **UK Safer Internet Centre** ([www.saferinternetday.org.uk](http://www.saferinternetday.org.uk)), and this year's theme is "Be the change: Unite for a better internet."

Our school has been participating alongside hundreds of other schools across the UK and students will be learning about how to use the internet safely and positively.

We believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development. We have included with this letter an information sheet from the UK safer internet centre, with loads of good advice. on keeping

We are hoping that after Easter we will be running workshops for Parents and Carers about supporting internet use at home and the importance in this digital age of keeping children safe online.

Best wishes

Mr Lee Kilkenny

Head Teacher  
Newton Regis CofE Primary School
