

What is the PE and sport funding?

As of 2013 the government allocated a sum of money to all primary schools to allow for schools and individuals within schools to improve P.E, by whatever means they deemed necessary e.g. through P.E. coordinator and/or staff training, purchasing additional /extra resources, purchasing out of house P.E. services etc. The changes have to be sustainable and leave a lasting legacy rather than being short-term fixes that will cease to exist if the funding is stopped.

As a school, Newton Regis has used the funding as part of the sports premium to continue to use a sports specialist company to deliver P.E lessons twice a week to all classes. This ensures each child is receiving high quality PE lessons and continues up skilling teachers by sharing and discussing good practice during and after the lessons. A Sports Coach is also used at school during lunch times, four days per week, working with each class as an 'Inspire to Compete Lunch Club'. A play leader is also used at lunchtime to facilitate organised games, for five days per week. The aim of this is to introduce new sports and practice a variety of sport with the classes, supporting them to take part in competitions throughout the year as well as encouraging sport for enjoyment and healthy exercise.

There are a number of factors to take into account when using the sports premium funding, including Ofsted inspection guidance which state the following factors for consideration:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

and the 5 key indicators/objectives from the DfE, which are included in the table of spending on the next page.

Primary School Sports Premium Awarded	
Total Number of Pupils on Roll (Y1-6)	74
Lump Sum	£16000
Amount received per pupil (£10 x number on roll)	£16740
Actual Amount Received	£16

Summary of School Sports Premium

Objectives 2021/22:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Record of spending by item/project

Item/Project:	Cost:	Objectives:	Intended Impact:
Coach Unlimited Sports Provider – 4 afternoons per week. Each class will receive 2 PE lessons per week	£8892	1,2,3, 4 and 5	To ensure a high quality P.E coach supports staff and children in engaging with high quality P.E sessions. This then supports staff to carry out their own P.E sessions with confidence and ensures all children have access to a good standard of P.E.
Extra – curricula sports clubs at lunchtime	Sports coach £3192 Play leader £3234	1,4 and 5	Children to engage in physical activity at playtime, this will include the sports practice session for events and sports equipment boxes for all classes going out to enhance dinner time provision.
Golden mile whole school initiative (also provides practise for cross country events)	£0 within PE lessons	1,2,3,4,5	This allows practice for running events and helps all children to maintain a healthy lifestyle, including regular exercise.
Subscription to NWPSSA	£700	1, 3 and 4	To allow school engagement with larger events across the county.
Trist-wide Commonwealth Games project	£722	1, 3 and 4	To allow school engagement with larger events across BDMAT
Dance Vibe After school Club (when safe to do so)	£0 – we allow them to use our facilities free of charge	1,3 and 4	Provides a different opportunity and enhances school sport and exercise provision, to cater for different interests.
North Warwickshire Chance to shine Cricket led by Warwickshire CCC If safe to do so.	£0	1,2,3 and 4	As above and supports competitive sports provision.

Sustainability of spending

Teachers teach alongside the sports coaches so that they are developing their skills in a wide variety of sports do they can teach PE confidently themselves.

Summary

Total School Sports Premium Received	£16,740
Money brought over from 20/21	£-4.88
Total for 2021/20212	£16,740
Total Expected Expenditure	£16,740
