Head Teacher: Mr Lee Kilkenny BEd

16th June 2017

Dear Parents and carers,

Spring Fever Curriculum

All four schools across the MAT are planning to teach a new Sex and Relationships programme, for all year groups. We will be starting this before the end of the summer term, and it will initially run alongside our current Taking Care initiative that has been used for a number of years. SRE education will soon become a mandatory requirement of the National Curriculum, and 'Spring Fever' is already used extensively in Warwickshire schools.

This program will also replace the lessons that used to be delivered by the school nurse, as they are no longer able to provide this service.

We would like to offer you the opportunity to attend an information session on

Wednesday 21st June at Austrey school hall, starting at 5.30pm

or

Thursday 22nd June at Newton Regis school hall, starting at 2.00pm

Parents from both schools can attend either meeting.

You do not have to attend both.

You will be able to find out more about the program and ask any questions that you might have.

Thank you for your continued support.

Best wishes

Lee Kilkenny
Headteacher
