The objectives of this policy:

Austrey and Newton Regis Church of England Primary Schools are committed to providing quality education for all our pupils.

We recognise that nationally, pupils in public care/children who are looked after (CLA) have significantly underachieved compared with their peers. We intend, through this policy, to promote the inclusion, well-being and achievement of children who are looked after.

The Local Academy Board (LAB) is committed in particular to implementing the joint guidance from the DfE and Department of Health in the education of young people in public care. This sets out six principles:

- Prioritising education
- Having high expectations
- Promoting inclusion through challenging and changing attitudes
- Achieving stability and continuity
- Early intervention and priority action
- Listening to children.

The guidance introduced two key measures to improve the educational life chances for children in public care:

- Designated teacher for every pupil
- Personal Education Plans for all pupils in public care

The LAB will ensure that there is a Designated Teacher and that the Designated Teacher is able to carry out his/her responsibilities effectively.

THE ROLE OF THE DESIGNATED TEACHER.

The DfE and Department of Health says that the Designated Teacher should be 'someone with sufficient authority to make things happen, (who) should be an advocate for the young people in public care, accessing services and support, and ensuring that the school shares and supports high expectations for them'.

Our Designated Teacher will:

- Ensure a welcome and smooth induction for the child and their carer(s)
- In conjunction with the child's social worker, ensure that a Personal Education Plan is completed within 12 weeks of the child joining the school.
- In conjunction with the social worker ensure that the Personal Education Plan is reviewed every 6 months
- Ensure that each pupil in public care has an identified member of staff that they can talk to. This need not be the Designated Teacher, but should be based on the child's own wishes
- Encourage pupils in public care to join in extra- curricular activities and out of school learning
- Ensure as far as possible attendance at planning and review meetings
- Ensure that staff in school receive relevant training
- Set up urgent meetings with relevant parties where the pupil is experiencing difficulties in school or is at risk of exclusion.

- Ensure the speedy transfers of information between individuals, agencies and - if the pupil changes school - to a new school.
- Monitor all children who are looked after to ensure, children make progress against targets and National Expectations.
- Report to the LAB an annual written report
